# NOMA's LATEST and GREATEST contribution to SAFETY!

U. S. Patent Office  
FEB 9 1953  
Design Division

A twist of two fingers  
replaces the fuse,  
anyone can do it in seconds!

The SAFETY FUSE PLUG is an exclusive new feature that places the Noma line head and shoulders above competition regardless of price. Everybody wants the safest lighting outfit they can buy. This is IT! No more dangerous overloads! No more troublesome trips to the fuse box! Safeguards the entire tree when used in conjunction with other sets and illuminated decorations. The greatest safety development in Christmas lighting since the incandescent lamp replaced the wax candle. Another Noma FIRST by the FIRST name in Christmas Lighting ... NOMA!

A TOP SALES MAKER—NOMA'S SAFETY FUSE PLUG

**No. 3415SF—15 LIGHT MULTIPLE TYPE INDOOR OUTFIT.** Independently burning C7 1/2 candelabra base lamps with washers to keep lamps tight in sockets and prevent trouble from metallic decorations. Sealed sockets, berry beads for easy fastening to branches of tree, add-on connector for attaching additional sets. 3 foot lead with **SAFETY FUSE PLUG**. 18" spacing. Standard package 24. Weight 34 lbs.

MULTIPLE TYPE INDOOR OUTFITS

**No. 3010SF—7 LIGHT MULTIPLE TYPE INDOOR OUTFIT.** Independently burning C7 1/2 candelabra base lamps with washers to keep lamps tight in sockets and prevent trouble from metallic decorations. Sealed sockets, berry beads for easy fastening to branches of tree, add-on connector for attaching additional sets. 3 foot lead with **SAFETY FUSE PLUG**. 18" spacing. Standard package 24. Weight 20 lbs.

## MULTIPLE TYPE INDOOR OUTFITS

**No. 3420SF-20 LIGHT MULTIPLE TYPE INDOOR OUTFIT.** Independently burning C7½ candelabra base lamps with washers to keep lamps tight in sockets and prevent trouble from metallic decorations. Sealed sockets, berry beads for easy fastening to branches of tree, add-on connector for attaching additional sets. 3 foot lead with **SAFETY FUSE PLUG**. 18" spacing. Standard package 12. Weight 24 lbs.

**No. 3425SF-25 LIGHT MULTIPLE TYPE INDOOR OUTFIT.** Independently burning C7½ candelabra base lamps with washers to keep lamps tight in sockets and prevent trouble from metallic decorations. Sealed sockets, berry beads for easy fastening to branches of tree, add-on connector for attaching additional sets. 3 foot lead with **SAFETY FUSE PLUG**. 18" spacing. Standard package 12. Weight 29 lbs.

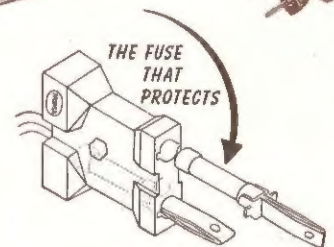

## MULTIPLE TYPE INDOOR OUTFITS

**No. 3017-7 LIGHT GLO-RAY MULTIPLE INDOOR OUTFIT.** Ball shaped G14 candelabra base lamps with washers to keep lamps tight in sockets and prevent trouble from metallic decorations. Each lamp burns independently. Sealed sockets, berry beads for easy fastening to branches of tree, add-on connector for attaching additional sets. 3 foot lead with add-on plug. 18" spacing. Standard package 25. Weight 29 lbs.

**No. 3019SF-7 LIGHT FANCY FIGURE MULTIPLE INDOOR OUTFIT.** Assorted snap-on plastic fancy figures fit over independently burning replaceable C7½ candelabra base lamps. Flame resistant plastic. Sealed sockets, berry beads for easy fastening to branches of tree, add-on connector for attaching additional sets. 3 foot lead with **SAFETY FUSE PLUG**. 18" spacing. Standard package 20. Weight 25 lbs.

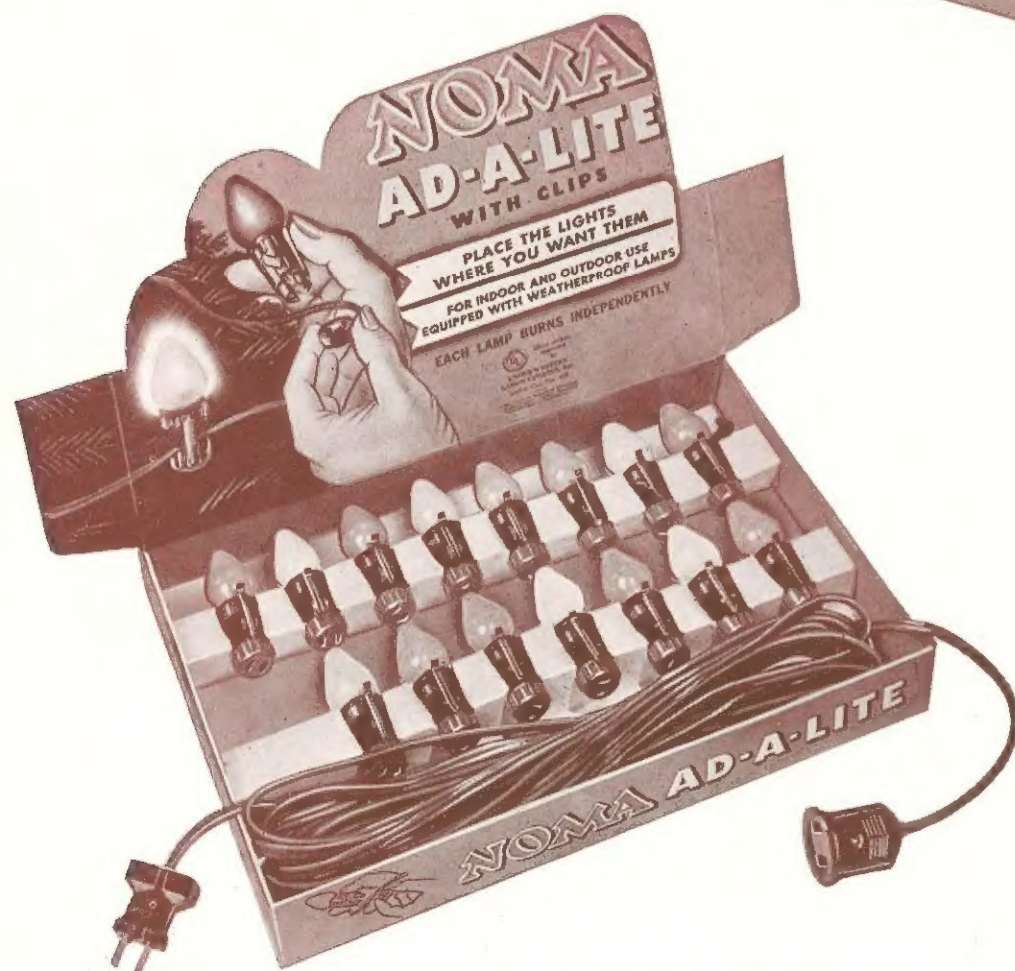

**No. 3503SF-7 LIGHT MULTIPLE CANDLE-LIGHT INDOOR SET.** Installed 120 volt candelabra base lamps. Flame resistant plastic. Assorted colors, translucent candles with realistic plastic flame tip. Equipped with spring clips for easy fastening to tree. 18" spacing. 3 foot lead with **SAFETY FUSE PLUG**, sealed sockets and add-on connector for attaching additional sets. Standard package 20. Weight 23 lbs.

## AD-A-LITE INDOOR

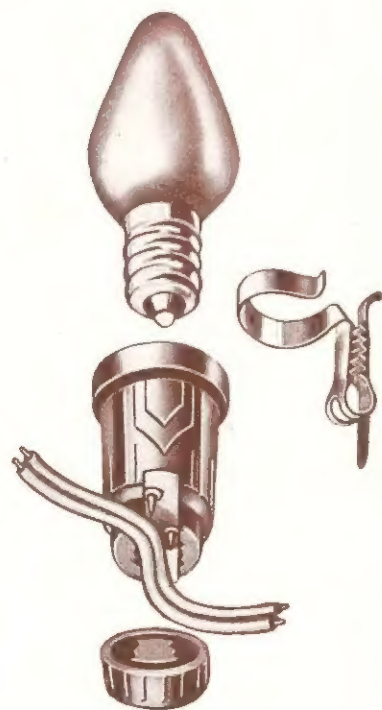

## AND OUTDOOR OUTFITS

**No. 34025F—7 LIGHT MULTIPLE BURNING INDOOR OR OUTDOOR AD-A-LITE OUTFIT.** Place the lights anywhere you want them. C7½ candelabra base weatherproof lamps. Turn lock pin-type sockets. Equipped with sturdy clips for attaching to branches of tree. 11 foot No. 18 twin cord. **SAFETY FUSE PLUG** and add-on connector for attaching additional sets. Standard package 24. Weight 19 lbs.

**No. 34035F—15 LIGHT MULTIPLE BURNING INDOOR OR OUTDOOR AD-A-LITE OUTFIT.** Place the lights where you want them. C7½ candelabra base, weatherproof lamps. Turn lock pin-type sockets. Equipped with sturdy clips for attaching to branches of tree. 23 foot No. 18 twin cord. **SAFETY FUSE PLUG** and add-on connector for attaching additional sets. Standard package 24. Weight 34 lbs.

**No. 403—CANDELABRA BASE AD-A-LITE PIN-TYPE SOCKET FOR INDOOR OR OUTDOOR USE.** For use on rubber covered parallel twin cord. Makes possible custom-length lighting. 25 to box. Standard package 500 sockets. Weight 13 lbs.

**No. 110—8 LIGHT SERIES INDOOR OUTFIT.** Loop type set 15 volt C6 lamps, 16" spacing between sockets, berry beads, 3 foot lead with add-on plug. Standard package 24. Weight 14 lbs.

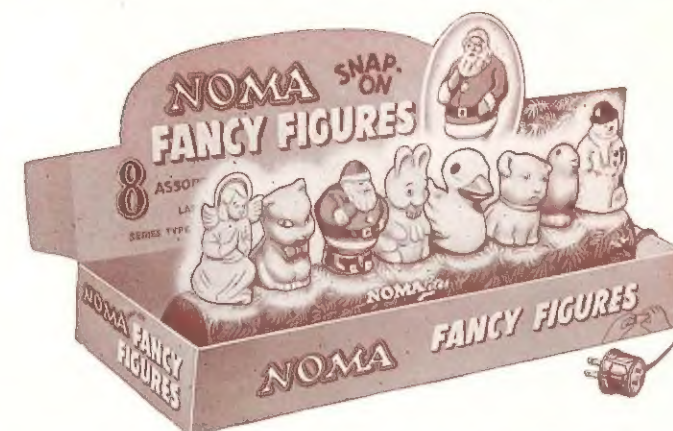

**No. 130—8 LIGHT SERIES SNO-GEM SET.** Straight line type, installed 15 volt lamps. Crystal clear plastic Sno-Gem ornaments, assorted colored centers. Berry beads, 12" spacing with 3" pigtailed. 3 foot lead with add-on plug for attaching additional sets. Standard package 20. Weight 20 lbs.

**No. 133—8 LIGHT SERIES CANDLE-LITE SET.** Straight line construction. Installed 15 volt series type lamps. Flame resistant plastic. Assorted colors, translucent candles with realistic plastic flame tip. Equipped with spring clips for easy fastening to tree. 12" spacing with 3" pigtailed, 3 foot lead with add-on plug for attaching additional sets. Standard package 20. Weight 20 lbs.

## SERIES TYPE INDOOR OUTFITS

**No. 119—8 LIGHT FANCY FIGURE SERIES INDOOR OUTFIT.** Straight line set. Snap-on flame resistant plastic assorted fancy figures fit over replaceable C6 miniature base lamps. Sealed sockets, berry beads, 12" spacing with 3" pigtailed. 3 foot lead with add-on plug. Standard package 20. Weight 22 lbs.

**No. 152—8 LIGHT SERIES STAR-BRIGHT SET.** Straight line set. Assorted multi-colored flame resistant plastic stars with installed 15 volt series type lamps. Berry beads, 12" spacing with 3" pigtailed, 3 foot lead and add-on plug. Standard package 20. Weight 18 lbs.

NOMA ELECTRIC CORPORATION  
 55 WEST 13th STREET • NEW YORK 11, N. Y.

***Sensationally New Safety Feature***

***Exclusive with NOMA***

The NOMA SAFETY FUSE PLUG is the greatest safety development in Christmas lighting since the incandescent lamp replaced the wax candle. Now it is impossible to overload the line! No more troublesome trips to the fuse box.

**A turn of two fingers replaces the fuse right in the set.**

The greatest merchandising feature ever built into any lighting outfit! Safeguards the entire tree when used in conjunction with other sets. Inexpensive replacement fuses available in service stations, radio shops, automotive supply stores, electrical and hardware dealers. Another Noma First! by the first name in Christmas lighting...NOMA!
